

Autocar's Custom Built Refuse Trucks on Display at Waste Expo 2022 in Las Vegas

Autocar's ACX and DC-64R Trucks will be on display at Booth#3610

WHO: [Autocar, LLC](#), proud American-owned and operated manufacturer of severe-duty trucks North America's oldest truck brand and a leading producer of custom-built vocational Class 8 trucks.

WHAT: [Waste Expo](#) is an annual event presented by [Waste 360](#) for original equipment manufacturers (OEMs) and suppliers, small, medium and large public sector waste management companies, organics management and food waste management companies. The annual event is anticipated to have over 14,000 attendees and features hundreds of exhibitors from leaders in the industry, including Autocar.

WHEN: May 9-12

WHERE: Las Vegas Convention Center, 3150 Paradise Rd, Las Vegas, Nevada

INFO: Autocar is one of the largest exhibitors at Waste Expo and is in booth #3610. Autocar's DC-64R [severe-duty conventional](#) and ACX [severe-duty cabover](#) Power of One custom-engineered refuse trucks will be on display in their booth along with the Autocar team. Autocar sponsors and partners EMP, Allison Transmission and Cummins will also have a presence in the Autocar booth. Additionally, EREF will be auctioning an Autocar ACX64 Heil ASL Command SST severe-duty refuse truck. This high functioning truck is ready to work, so attendees are encouraged to be prepared to place their bids.

NOTE TO REPORTERS: Autocar VP/General Manager of Refuse Tim Thornton will be on site and available for media interviews. To set an interview, please contact TrizCom Public Relations at 972-247-1369 or via email at AutocarPR@TrizCom.com.

###

ABOUT AUTOCAR, LLC

Autocar, LLC, manufacturer of severe-duty vocational trucks carrying the first specialized truck brand in North America, is the only American-owned and operated original equipment manufacturer (OEM) of trucks. Autocar's severe-duty vocational trucks provide customers the perfect tool for their jobs with the most uptime, support and impact on their bottom line. Autocar collaborates with customers to build trucks to their exact specifications and needs. Autocar's purpose-built severe-service truck lines include ACMD and ACX cab-over trucks, the ACTT and its all-electric E-ACTT terminal tractors and the DC-64 Class 8 work trucks. Autocar recognizes that performance and uptime are everything and offers every customer 24/7 access to its Always Up direct factory support center staffed by expert technicians who engineer and

build Autocar's trucks. Autocar promises to provide trucks that deliver the best value, provide the best service, provide a complete solution for customers' needs, do the work right the first time and act proactively, timely and with simplicity.
