

Texas Pinner's Conference Celebrates Texas Educators with Free Tickets September 22 and 23

Tradeshow Combines Shopping & Hands-on Classes, Bringing Creativity to Life

Fort Worth, Texas (August 23, 2023) - As the new school year begins, [Texas Pinner's Conference & Expo](#), the nation's largest (and coolest) women's event is excited to honor Texas educators with a unique back-to-school gift. Every Texas educator and school administrator is eligible for two complimentary general admission tickets to the highly anticipated Texas Pinner's Conference & Expo, on Friday, September 22, from 10 a.m. to 8 p.m. and Saturday, September 23, from 9 a.m. to 7 p.m., at the Will Rogers Memorial Center, located at 3401 W Lancaster Ave, Fort Worth, Texas, 76107.

[Click to Play](#) - 2021 Texas Pinner's Conference

The Texas Pinner's Conference is an annual event celebrating the spirit of creativity and inspiring individuals passionate about DIY, crafts, cooking, self-improvement, photography, party planning, scrapbooking, holidays, beauty, fashion and much more. At this one-of-a-kind event, attendees will have access to a trade show brimming with Pinterest-like projects and more than 200 vendors and exhibitors, offering a wide array of Pinterest-based classes and fantastic shopping opportunities that represent the best of Texas. For a comprehensive list of presenters, classes, exhibitors and vendors, visit <https://tx.pinnerconference.com/>.

Established in 2013, the Pinnners Conference was created to bring together individuals who share a common interest in learning, creativity, hobbies and do-it-yourself projects. The Pinnners tradeshow floor is uniquely designed, merging the excitement of a shopping conference environment with hundreds of small business vendors, showcasing a diverse range of goods, services and hands-on activities. This exceptional setting allows attendees to explore their creativity beyond the confines of the classroom, immersing themselves in two full event days dedicated to inspiring others.

Participants will have the incredible opportunity to learn from industry experts, influencers and professionals in their respective fields through 110 interactive classes, workshops and demonstrations. Each session introduces new techniques, provides valuable insights and sparks innovative crafting ideas.

Roxanne Bennett, co-founder of Pinnners Conference, expressed her excitement about this opportunity, saying, "As a former educator, I know that teachers are some of the most inspiring individuals, especially in our children's lives. So, what better way to encourage their creativity and show appreciation than to give them access to one of the largest creative events offline? We're excited to provide access to the Texas Pinnners Conference, hoping they can spend a weekend enjoying our Pinterest-inspired classes, shopping floor, make-and-takes and so much more. We can't wait for them to experience this fun, creative journey."

For Texas educators, general admission entrance to the event is entirely free with preregistration. To secure free tickets, Texas educators and school administrators must reserve in advance by visiting <https://tx.pinnnersconference.com/gettickets> and using the code TEACH. Educators and school administrators are eligible for two complimentary tickets. Attendees are also encouraged to bring their school ID badges to the event.

Others interested in attending may also choose from various ticket packages, starting at \$12, which include entrance to the conference, access to exhibitors' shopping, make-and-takes and more. Children 8 years and under are FREE to all events. Please note that many classes will have optional kits to purchase once registered for the class.

To stay updated with the latest news and announcements, attendees should follow Texas Pinnners on all social platforms at @pinnnersconf. We also encourage participants to share their experiences and content from this unique event using the hashtags #PinnnersTX and #pinnnersconf.
