

Premier ER & Urgent Care Responds to Holiday Health Concerns with Expedited Testing for COVID, Flu and RSV

Leading the Way in Rapid and Accurate Diagnosis during the Festive Season

WACO, TX (December 21, 2023) - In anticipation of the heightened risk of airborne respiratory illnesses this holiday season, [Premier ER & Urgent Care](#) announces its commitment to providing rapid testing and treatment for COVID-19, Influenza (Flu) and Respiratory Syncytial Virus (RSV). Aligning with the community's needs, Premier ER & Urgent Care is prepared to deliver swift healthcare services, with most patients receiving testing and treatment in typically under an hour. No appointments are needed.

Health Concerns Amidst the Holidays

With the festive season upon us and the rise in respiratory illnesses, Premier ER & Urgent Care addresses the community's concerns about the simultaneous surge in COVID-19, Flu and RSV cases. The facility is geared up to meet the challenge head-on.

Streamlined Testing and Treatment

Premier ER & Urgent Care has optimized its testing and treatment protocols to provide rapid results and immediate care. This efficiency is crucial in managing the spread of these viruses and offering peace of mind to patients and their families.

Community-Centric Healthcare Approach

Understanding the importance of quick and reliable healthcare, especially during the holidays, Premier ER & Urgent Care strongly emphasizes community health and well-being. Their approach is tailored to meet the unique needs of their patients, with a focus on reducing wait times, transparent billing and excellent care.

Adaptability and Preparedness

To adequately respond to the expected increase in respiratory illnesses, Premier ER & Urgent Care has bolstered its resources to ensure uninterrupted and efficient care. The staff, trained in emergency medicine, is well-equipped to handle the expected increase in patient volume, and are well-prepared for the holiday season.

"This holiday season, our focus at Premier ER & Urgent Care is to ensure the health and safety of our community by offering swift and efficient testing and treatment for COVID-19, Flu and RSV," stated Dr. Jay Woody, MD, FACEP, ABEM, Chief Medical Officer of Intuitive Health, Premier ER & Urgent Care's parent company. "Our unique hybrid model, combining the strengths of an ER and an urgent care center, is designed to provide precisely the level of care needed, mitigating the cost concerns that often arise from misjudging medical situations. Our approach optimizes patient care and delivers considerable cost efficiencies to the Central Texas community by effectively categorizing cases that require ER intervention from those that can be managed through urgent care services."
