

Legacy ER & Urgent Care Covered by Cigna Network Both ER and Urgent Level of Care Services Now Covered by Insurance Giant

PLANO, Texas (Sep. 29, 2016) – [Legacy ER & Urgent Care](#), a North Texas-based hybrid model facility offering both ER and urgent care billing, now has both levels of care covered by national insurer Cigna. Legacy’s unique hybrid billing model, which drives down the cost of consumer healthcare spends, was cited as a major factor in the decision. North Texas-based Legacy is the first healthcare provider to have both ER and urgent care visits covered in-network by Cigna.

“Cigna is a very progressive organization that looks to drive value to their clients year in and year out,” said Casey Fisher, vice president of operations for Legacy. “We are very excited that Cigna sees the value Legacy ER & Urgent Care provides for their patients and employers by driving down healthcare spend with our unique hybrid billing model. All six of our DFW locations will now be included as a part of Cigna’s network for both Urgent Care and ER billing, making us the first provider of our kind to do so.”

Cigna Corporation (NYSE: CI) is a global health service company dedicated to helping people improve their health, well-being and sense of security. Products and services include an integrated suite of health services, such as medical, dental, behavioral health, pharmacy, vision and supplemental benefits. Cigna maintains sales capability in 30 countries and jurisdictions, and has more than 90 million customer relationships throughout the world.

Patients with Cigna insurance are now welcome at all six Legacy ER & Urgent Care facilities, conveniently located in Frisco, Allen, Coppell, McKinney and North Richland Hills.

Fisher added, “By diverting unnecessary ER billing utilization and spend, we are able to save patients, employers and managed care companies millions of dollars across the DFW Metroplex every year and look forward to now being able to do so on an even grander scale with the addition of the Cigna network.”
