

Operation Kindness Hosts Festive Holiday Photo-Op with Santa Leading Lifesaving Shelter Invites Families to Dog Photos with Santa

CARROLLTON, TX (Dec. 7, 2021) – Sharing kindness and positivity during the festive holiday season, [Operation Kindness](#) is bringing back a festive event for the whole family. By inviting Santa Claus to the leading life-saving shelter in Texas, Dog Photos with Santa gives the community and their furry friends a chance to meet and greet the jolly man in red and leave with a special photo souvenir. Funds raised from the photo-op will benefit Operation Kindness' mission to care for and treat homeless animals before adoption. Dog Photos with Santa is available from 10 a.m. to 4 p.m. on Saturday, Dec. 11 and Saturday, Dec. 18 at 3201 Earhart Dr. in Carrollton.

To celebrate the season of gratitude and cheer with an exclusive holiday photo opportunity, Operation Kindness is inviting families and their dogs to visit the shelter for Dog Photos with Santa. The meet and greet with the iconic holiday figure will be held outdoors to follow the CDC's recommended safety guidelines. A professional photographer will be onsite to take photos with two options available: 10 photos will be taken and given to guests on a flash drive for \$20, or families can choose to have pictures taken with their phones for \$15. As an additional surprise, Ed Jamison, chief executive officer at Operation Kindness, will play the part of Santa.

"Photos with Santa is a fun holiday tradition, and we're excited to host our version for pets while bringing people together for a little extra goodwill and cheer. Taking over the role of Santa for the photoshoot, I and everyone at Operation Kindness are excited to host to make spirits brighter. We're grateful for the generosity and look forward to combining an awesome event with a great cause to benefit homeless animals," said Ed Jamison, chief executive officer at Operation Kindness and honorary Santa during the holidays.

Community events like Dog Photos with Santa from Operation Kindness help the nonprofit organization raise awareness for its endeavors to rescue homeless animals and further its support of the animal welfare industry with vital, life-saving resources. Through community participation, generosity and awareness, a difference can be made in the lives of others. What started as a small group of volunteers in 1976 wanting to care for pets without homes has grown into a passionate endeavor to prepare dogs and cats for a loving home.

Operation Kindness goes above and beyond to prioritize animal health and wellness with humane values and behaviors. Together with the organization's staff, volunteers, medical and executive teams and the community, a world where all dogs and cats have the resources they need to experience a second chance at a great quality of life can be realized. Operation Kindness offers life-saving medical services, food, shelter and other necessities to ensure homeless pets are rehabilitated and ready for adoption.
