

BADASS Construction Trucks at 2023 World of Concrete

Autocar's DC-64 Dump Truck, DC-64 Mixer and other trucks will be on display at the exhibition January 17-19 in Las Vegas

WHO: [Autocar LLC](#), the proud American manufacturer of premium, purpose-built vocational trucks carrying North America's oldest truck brand will attend the annual World of Concrete convention. Autocar's custom engineered severe duty vocational trucks will be on display in booth C6360. Trucks in attendance will include a BADASS DC-64P Pump Truck chassis and DC-64M Mixer with a Beck body.

WHAT: [World of Concrete](#) is the premier concrete event, offering leaders in the concrete and masonry construction industries the opportunity to learn, connect and grow as an industry. The three-day exhibition brings together over 60,000 industry professionals and more than 1,000 companies specializing in tools, products and services for concrete.

WHERE: Las Vegas Convention Center, 3150 Paradise Rd, Las Vegas, Nevada

WHEN: January 17-19, 2023

INFO: Severe-duty truck manufacturer, Autocar LLC, sets the standard in building and designing the best vocational trucks in the construction industry, known for their industry-best strength and durability. Every Autocar truck is backed by its premium customer experience and dedicated team of technicians and engineers for the life of the truck. Autocar will highlight its [DC-64 mixer](#) demo truck and [DC-64 pump truck](#) chassis at the World of Concrete exhibition in booth C6360 in Central Hall. Attendees will have the opportunity to view the custom engineered, hand-built trucks up close and personal.

The Autocar DC-64M mixer truck

Autocar's DC-64 truck chassis features:

- The industry's most durable, all-welded steel cab structure
- Leading frame rail strength, 24% stronger than industry standard
- 7-inch Smart Display designed to minimize downtime and driver distractions
- Best-in-class visibility with 325-degree operator views
- Only truck in its class with rear-corner wrap-around windows
- Access to 24/7 factory direct support

Building trucks is not just a job at Autocar – it's a way of life. When it comes to construction and concrete work, Autocar knows customers need a truck that is ready to take on any job. That is why Autocar only builds trucks that are up to the challenge.

NOTE TO REPORTERS: Autocar representatives will be in attendance at the event. To schedule an interview with an Autocar representative, please contact TrizCom Public Relations at 972-247-1369 or via email at AutocarPR@TrizCom.com.

###

ABOUT AUTOCAR, LLC:

[Autocar, LLC](#), manufacturer of severe-duty vocational trucks carrying the first specialized vocational truck brand in North America, is a proudly American-owned and operated original equipment manufacturer (OEM) of trucks. Autocar's severe-duty vocational trucks provide customers the perfect tool for their jobs with the most uptime, support, and impact on their bottom line. Autocar collaborates with customers to engineer and build custom trucks to their exact specifications and needs. Autocar's purpose-built severe-duty truck lines include ACMD and ACX cab-over trucks, the ACTT and its all-electric E-ACTT terminal tractors, and the DC-64 Class 8 work trucks. Autocar recognizes that performance and uptime are everything and offers every customer 24/7 access to its ALWAYS UP® direct factory support center staffed by expert technicians who engineer and build Autocar's trucks. Autocar promises to provide trucks that deliver the best value, provide the best service, provide a complete solution for customers' needs, do the work right the first time, and act proactively, timely and with simplicity.
