*The partnership will provide continued care across local Central Texas communities.*

**PLANO, Texas (April 3, 2023)** [Intuitive Health](#) today announced the acquisition of [Premier ER & Urgent Care](#), a Texas-based hybrid emergency room and urgent care clinic with four locations in San Marcos, Temple, Waco and Woodway, Texas. The partnership expands Intuitive Health's footprint to 25 hybrid emergency and urgent care locations.

"Our mission at Premier ER & Urgent Care continues to be to provide our communities with high-quality, cost-efficient medical care at their convenience," said Premier ER & Urgent Care chief executive officer John Hamilton, M.D. "We're proud to partner with the Intuitive Health team and look forward to our work together as we strive to improve health for everyone in our community."

"Premier's dual model of ER and Urgent Care facilities will continue to offer excellent care and a commitment to local medical services," said Thom Herrmann, chief executive officer of Intuitive Health. "Intuitive Health is dedicated to prioritizing patients' needs through transparency, quality, and affordability, and this partnership will help build on our promise to provide the best accessible and convenient outpatient services."

The acquisition of Premier ER & Urgent Care is Intuitive Health's second acquisition since 2015. This partnership continues Intuitive Health's hybrid ER and urgent care strategy that provides one convenient consumer health-based location for both emergency and urgent care services and eliminates the guesswork for patients unsure of where to go for care. The unique care model creates cost-effective ways for patients to receive unscheduled care. Beyond its home state of Texas, Intuitive Health has a growing network of sites outside of Texas in collaboration with health system partners to extend its differentiated care delivery model to patients nationwide.

Intuitive Health is a partner company of Altamont Capital Partners, a private investment firm. The partnership was supported by Stellus Capital Management and City National Bank, with Ropes & Gray serving as Intuitive Health's legal counsel.
