

Autocar Showcases All-Electric Terminal Tractor at Advanced Clean Transportation Expo 2022

Autocar's E-ACTT will be on display at Autocar Booth #361

WHO: [Autocar, LLC](#), proud American-owned and operated manufacturer of severe-duty vocational trucks carrying North America's oldest truck brand, will be among the terminal tractor exhibitors at Advanced Clean Transportation Expo 2022.

WHAT: The annual [Advanced Clean Transportation \(ACT\) Expo](#) brings together leaders in the transportation industry with the mission to reduce emissions and create a sustainable future.

WHEN: May 9-12

WHERE: Long Beach Convention Center, Long Beach, California

INFO: Autocar is one of the exhibitors at the ACT Expo 2022. An Autocar all-electric production-model E-ACTT with a Powered by Vorza powertrain will be on display in the Autocar booth, No. 361. The [electric terminal tractor](#) has zero tailpipe emissions yet is as powerful and productive as its diesel counterpart, the ACTT. Autocar partners and sponsors Vorza, Auburn University Samuel Ginn College of Engineering, Maxon Wheels, Autonomous Solutions, Inc. and Questar Auto Technologies will also be present in the Autocar booth. Additionally, Autocar will be giving away an e-bike with the help of sponsors to highlight other electric vehicles at the event.

Autocar electric terminal tractor, the E-ACTT

NOTE TO REPORTERS: Autocar Terminal Tractor brand, General Manager, Mark Aubry, will be on-site along with other Autocar executives. To schedule an interview with an Autocar representative, please contact TrizCom Public Relations at 972-247-1369 or via email at AutocarPR@TrizCom.com.

###

ABOUT AUTOCAR, LLC

Autocar, LLC, manufacturer of severe-duty vocational trucks carrying the first specialized truck brand in North America, is the only American-owned and operated original equipment manufacturer (OEM) of trucks. Autocar's severe-duty vocational trucks provide customers the perfect tool for their jobs with the most uptime, support and impact on their bottom line. Autocar collaborates with customers to build trucks to their exact specifications and needs. Autocar's purpose-built severe-service truck lines include ACMD and ACX cab-over trucks, the ACTT and its all-electric E-ACTT terminal tractors and the DC-64 Class 8 work trucks. Autocar recognizes that performance and uptime are everything and offers every customer 24/7 access to its Always Up direct factory support center staffed by expert technicians who engineer and build Autocar's trucks. Autocar promises to provide trucks that deliver the best value, provide the best

service, provide a complete solution for customers' needs, do the work right the first time and act proactively, timely and with simplicity.
