

FizTrade Extends Trading Hours for Gold and Silver Transactions *Traders from coast to coast to benefit*

ADDISON, TEXAS (June 27, 2012)...**Dillon Gage Metals** is pleased to announce extended trading hours for physical gold and silver transactions. Precious metals traders in need of quick quotes on coins and bars should take a look at the **FizTrade Online Trading** system, which is now more accessible and easier than ever.

FizTrade.com offers both bid and ask prices for gold, silver, platinum and palladium bars and coins on a platform that allows seamless trading. With a **FizTrade** account, registered users are plugged directly into the **Dillon Gage** Trading Floor and fulfillment system, giving them:

- Updated quotes every 20 seconds
- The ability to buy or sell in just a few clicks
- Hundreds of products
- Access to daily and monthly market updates

Launched in 2006, **FizTrade** was designed to help traders minimize market exposure and increase profits. Access is easy through any web browser. There is no software to purchase or install. Many financial institutions, stock brokers, banks, jewelers, coin dealers, refiners and pawn shops consider it to be an integral part of their daily metals trading activities. Users have confidence in **FizTrade** because they are trading with an experienced market leader.

FizTrade is now set up for extended trading hours in gold and silver only:

- 7 AM – 7 PM CDT, Thursdays
- 7 AM – 4:15 PM CDT, Fridays

As the online trading arm of **Dillon Gage Metals**, an international wholesaler of precious metals, **FizTrade** also caters to private wealth and family office clients. With over 35 years in the precious metals business, there is no one better suited to service these clients by providing them with excellent service and competitive pricing. **Dillon Gage's** experienced traders are also available to help between the hours of 7:30 AM – 5:30 PM CDT Monday – Thursday and 7:30 AM – 5:00 PM CDT Friday.

"We listened to our clients and extended our hours of operation for trading physical gold and silver," said Terry Hanlon, president of **Dillon Gage Metals**. "Our expanded hours will benefit traders and investors from coast to coast by giving them increased access to live markets."

All first-time **FizTrade** customers are asked to fill out a general application, which can be found by logging onto www.DillonGage.com or by emailing trading@dillingage.com. **FizTrade** assigns account numbers to new customers, with no opening fees.

"With **FizTrade**, the price you see is the price you pay or receive, depending on whether you're buying or selling," Hanlon says. "There are no additional fees or commissions for coins and bars." On a typical order, the only additional fee is the shipping charge. Immediate confirmation is provided on real-time orders, which are processed by **Dillon Gage** traders. All buy or sell orders need to total \$10,000 or more.

As with any commodity or stock transaction, orders are legally binding by both parties at the time of confirmation, and customers can be confident that their orders have been handled properly.
